My Values

Think about your values and list them in the space below. Consider what it means for you to be "successful" in farming, or try distinguishing between personal, economic, environmental, and community values. If you are having trouble putting values onto paper, try drafting a brief essay. Begin by recalling a critical turning point in your life when you were faced with a serious tradeoff: What values guided you?

Common Values

Use the space below to identify common or shared values among your planning team members. You may want to begin by simply listing the values identified by each team member and then determine what values you share as a team. If you are uncomfortable sharing personal values, focus on the environmental, finance and community values that you share.
